## CARDIOLOGICAL DEPARTMENT OF CHILDREN

### OFFER 35% DISCOUNT TO CARDIOLOGY

#### CHECK ON CHILDREN

In our effort to help families with children who start the new school year and to securely participate in school activities as well as at sports clubs, we announce the discount 35% for the following benefits:

- Clinical examination
- Heart ultrasound
- Electrocardiogram
- Preventive check
- Advice on sports activities

Every year every student or anyone who wants to participate in sports activities to do preventive cardiological testing. A simple paper from any physician (except a cardiologist) is not enough. The cardiology department of our polyclinic is staffed with an excellent one a scientist with daily experience as a hospital manager and with extra studying abroad. Analytical information about the resume doctor cardiologist at [www.santorinimedlifeclinic.gr](http://www.santorinimedlifeclinic.gr)

Appointment Information: 22860 30403

We will be glad to see you closely.

Yours sincerely  
Fousteri brothers
